Brand idea

FairHelm teaches people to sail and helps them choose their first yacht, with honest and practical guidance. The mark is built on the signal flag H (Hotel).

Voice: direct, practical, honest.
No sailing clichés.

H-Hotel

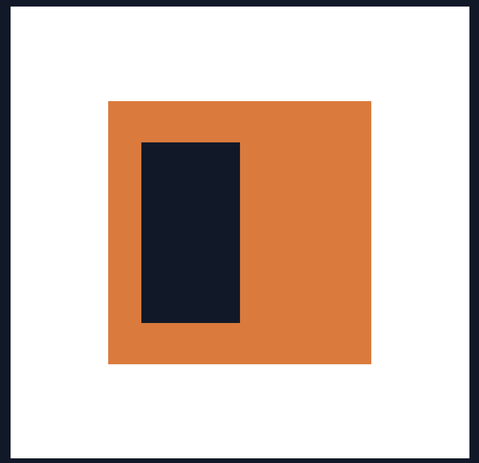

Logo

The primary logo combines the mark and the wordmark. Use it by default wherever space allows.

Logo

The compact mark is for small spaces: profile pictures, favicons and stamps. Use the primary logo whenever there is room for it.

Construction

The logo is built on a single unit, x. The mark is 8x high. The gap between the mark and the wordmark is 2x. Keep a clear space of at least 2x on every side.
